

# EDT CONCENTRATE DEPOSITION AID

## DOSAGE CHART

### Ground Application

### EDT Concentrate Dosage

Air Blast Sprayer	1-3 qts. per 100 gals. spray solution
Controlled Droplets Applicators	1 pt. - 2 qts. per 100 gals. spray solution

Spray Pressure	Nozzle Type	EDT Concentrate Dosage
Up to 30 PSI	Flat Fan, Flood Jet	1-3 qts. per 100 gals. spray solution
	Off Center	2-6 qts. per 100 gals. spray solution
30-50 PSI	Flat Fan, Flood Jet	1½-6 qts. per 100 gals. spray solution
	Off Center	3-8 qts. per 100 gals. spray solution
	Hollow Core or Raindrop	1-3 qts. per 100 gals. spray solution
	Spray Guns	1-8 qts. per 100 gals. spray solution

### Aerial Application

Spray Pressure	Nozzle Orientation	EDT Concentrate Dosage
Up to 45 PSI	Straight Back	2-6 qts. per 100 gals. spray solution
Up to 45 PSI	45° angle in back position	3-8 qts. per 100 gals. spray solution

Principal Functioning Agents	
Polyacrylamide polyvinyl polymer complex and defoamer.....	2.5%
Constituents Ineffective as Spray Adjuvants .....	97.5%

All ingredients are exempt from the requirement of tolerance under Title 40, CFR 180.1001(d).

**KEEP OUT OF THE REACH OF CHILDREN  
CAUTION**  
Wash thoroughly with soap and water after handling.

### GENERAL INFORMATION

EDT CONCENTRATE IS AN EFFECTIVE, EASY-TO-USE DEPOSITION AID FOR INCREASING DEPOSITION AND CANOPY PENETRATION IN SPRAYING OPERATIONS.

One gallon of EDT Concentrate treats up to 200 gallons of spray solution.

Do not use with dormant oils, ULV oils, or where fertilizer is substituted for water as the carrier for pesticide sprays.

Not for Aquatic Use.

### DIRECTIONS FOR USE

- Step 1: Select correct EDT Concentrate dosage from chart below.
- Step 2: Shake EDT Concentrate before using. For optimum results, add wettable powder pesticides before EDT Concentrate. Add liquid pesticides after EDT Concentrate. When using liquid micronutrients, a jar test for compatibility and order of addition is strongly recommended. Wetter-spreaders may be added before or after EDT Concentrate. EDT Concentrate should be added to the agitating tank mix. For tanks with weak agitation, add EDT Concentrate during the tank filling.
- Step 3: Continue to agitate the mix tank before use.

Pesticide label must be followed when spraying pesticides. EDT Concentrate can improve deposition of pesticides in the target swath and can retard, but not totally eliminate drift.

Spray equipment should be rinsed after use. Follow all clean up procedures as noted on label of the pesticide used.

### STORAGE AND DISPOSAL

1. **PROHIBITIONS:** Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.
2. **STORAGE:** Store in original container only and keep sealed. Store in closed storage areas. Use caution when moving, opening, closing or pouring.
3. **PESTICIDE DISPOSAL:** Improper disposal of excess spray mixtures or rinsate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on site spray application or at an approved waste disposal facility.
4. **CONTAINER DISPOSAL:** Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and local authorities.

**WARRANTY STATEMENT:** WILBUR-ELLIS COMPANY warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with directions under normal use conditions. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of WILBUR-ELLIS COMPANY. In no case shall WILBUR-ELLIS COMPANY be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the Buyer. The exclusive remedy of any buyer or user of this product for any and all losses, injuries, or damages resulting from or in any way arising from the use, handling or application of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid for this product or at WILBUR-ELLIS COMPANY'S election, the replacement of this product. WILBUR-ELLIS COMPANY makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
